## What is Recharge ?

- Recharge is a Mental Health Field Day that celebrates the end of the school year.
- Recharge is designed to bring together children and their families that live in the community for a fun and impactful event.
- Recharge focus is on local awareness of Mental Health and the resources available to the community.
- We have invited several mental health vendors that will provide resources to those attending the event.
- We will also have client pre-screenings for our services, field day games, arts and crafts, Zumba, free food, bounce houses and DJ.
- We are asking you to support our community endeavor by being a financial sponsor for this community outreach event.

Our Mental Health Field Day will be hosted in the field adjacent to Mount Olivet Baptist Church in Petersburg, Virginia on June 10, 2023 from 12pm-4pm

Family Services is accepting donation of any amount from \$50-\$1000.

Your sponsorship dollars will go towards supplementing event costs related to equipment rentals, marketing materials, giveaway items and food and more. We really want to provide an impactful community event for Central Virginia.

Your support and participation will make this event exceed expectations! Any donation amounts are greatly appreciated, and if you are unable to give financial support, we'd love for you to consider donating your time as a volunteer.

As an official sponsor of our event, your logo will appear throughout the event space, on banners, t-shirts and marketing material. If you're interested in sponsoring our event or learning more about how we can work together, please contact me at (804)898-3524 or email me at [familyservicescurtis@gmail.com](mailto:familyservicescurtis@gmail.com)
